Cape Dutch Tile Natuur

SKU: RVA13236

WARM & EARTHY

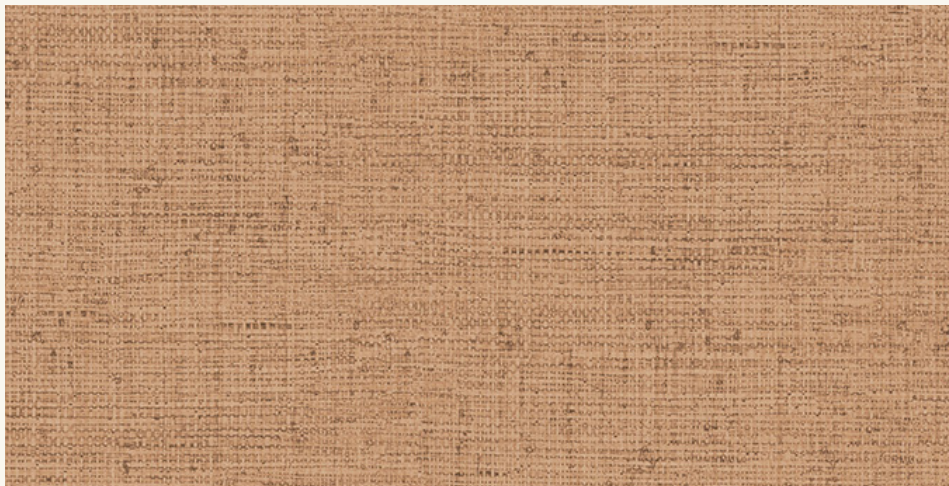

Warm and earthy hues, drawing inspiration from natural elements such as soil, sand, and sunsets, instills a feeling of being connected to the natural world. As people seek more sustainable and eco-conscious lifestyles, these colours become a visual representation of that desire for feeling grounded, connected and cosy.

Featured artists and studios - Sett&Beat, CloralBloom Studio, Chroma Atelier, Louise Hunt, Jessica Warwick, Skinny laMinx, Envy and Co.

SKU: ECO245022

PEACH & APRICOT

Peach and apricot tones are soft and muted, creating a sense of tranquility and calmness. The world continues to foster fast-paced lifestyles and digital overload, these peachy colours can be used to infuse spaces with a more soothing and gentle atmosphere. Here are some of our favourites - from bold florals, to more geometric shapes and fine art pieces that create stunning murals.

Featured artists and studios - Leigh Bagley, Tiphaine Alston, Room13, Este Macleod, Sarah Corynen, Paul Senyol
